

2010 Australian-Canadian Prostate Cancer Research Alliance Symposium

held in conjunction with the
2010 Prostate Cancer Foundation of Australia (PCFA) National Conference

6-8 August, 2010

Gold Coast Convention and Exhibition Centre - Queensland

Registration information: www.aus-canprostatealliance.org/events/2010-symposium

Early bird registration closes April 30, 2010

Supported by the Prostate Cancer Foundation of Australia
and Prostate Cancer Canada

The Symposium is a chance for prostate cancer researchers, clinicians, and other professionals to take part in collaborative sessions led by a variety of moderators. Moderators and sessions include:

In Vivo and Patient Advanced Imaging - Prof Chris Langton, Queensland University of Technology
Development of Targeted Therapeutics - Prof Pamela Russell, Australian Prostate Cancer Research Centre - Queensland
Genomics of Prostate Cancer - Prof Colleen Nelson, Australian Prostate Cancer Research Centre - Queensland
In Vivo Tumour Models - Prof YZ Wang, the Vancouver Prostate Centre
Advancements in Radiation Oncology - Prof Robert Bristow, University of Toronto
Endocrinology/Metabolic Syndrome - Prof Michael Pollak, McGill University
Biomarkers - Prof Yves Fradet, Laval University Quebec.

For a full program, visit www.aus-canprostatealliance.org/events/2010-symposium

Other Highlights:

Collaboration opportunities with others in your research field, including research scientists and clinicians from the AC-PCRA

Scientific and consumer-based meetings of the 2010 PCFA Conference

Scientific Poster Competition - open to all attendees

Official Cocktail Party, Innovation Dinner, and Gala Dinner.

Further enquiries:

AC-PCRA: Ally Tutkaluk, AC-PCRA Australian Coordinator - coordinator@aus-canprostatealliance.org

PCFA: Graeme Higgs, 2010 PCFA Conference Manager - GHiggs@prostate.org.au, www.prostate.org.au

The AC-PCRA is a collaborative network of Australians and Canadians working in prostate cancer research, and is an initiative of the Queensland Smart State National-International Research Alliance Program. To join the AC-PCRA, visit
