

**Staff Specialist, Director ACT Health Diabetes Service
Canberra Hospital and Health Services, ACT Health**

Based in beautiful Canberra, this is an excellent opportunity for a Staff Specialist/Director in Diabetes, with demonstrated leadership abilities, to head up the Canberra Hospital and Health Services' busy Diabetes Service.

In this position the Staff Specialist, Director, has accountability for and, with the operations Manager manages the operations of the service to ensure clinical, financial strategic objectives and key performance indicators are met. The Director plays a key role in ensuring that care delivery and clinical outcomes within the service reflect best practice and will be responsible for developing a positive public profile, as well as enabling collaborative partnerships within the community. You will be responsible operationally to the Executive Director of the Division Medicine and clinically and professionally to the Director of Endocrinology.

You will be registered, or eligible for registration, as a medical practitioner with the AHPRA, and hold a FRACP or equivalent higher specialist qualification. ACT Health will offer the successful candidate a very attractive remuneration package, commensurate with qualifications and experience. An appropriate academic appointment with ANU is available.

For a discussion please call Principal Consultant, Rhodie Miller on +61 422 816 557 or email rmiller@hardygroupintl.com
