Registration now open: <http://www.anzbms-ifmrs.org/registration/>

### **Private Practice Opportunity – North Western Sydney**

An opening has become available to join a busy private endocrinology practice in north-western Sydney commencing mid-November 2016 for one day a week with a possibility to expand this at a later stage. This practice has been established since 1989 and has a wide referral base including the Hills District and as far afield as the Hawkesbury. It is situated in a specialist medical centre with good local radiology and pathology services, and accessible to private hospitals. Anyone interested should contact Dr Mark Rosman on (02) 9899 3711 during office hours, (02) 8068 4571 after hours, or by email on [drmarkrosman@gmail.com](mailto:drmarkrosman@gmail.com)

### **ENDOCRINOLOGIST FOR PRIVATE PRACTICE IN GEELONG:**

Private Specialist Rooms Location: The Epworth Geelong, Waurin Ponds, Victoria 3216

Endocrinologist wanted to join our growing Specialist Practice in the new Epworth Geelong Hospital.

The hospital is situated in a growth corridor of western Victoria with a rapidly growing population. Situated adjacent to Deakin University, the hospital is establishing itself as a teaching hospital. Geelong has one public hospital which has a catchment area covering the greater Geelong districts and Colac. There are two other private hospitals in the Geelong CBD close to the public hospital.

The clinic has diabetes educators supporting a pump service and podiatrists specialising in diabetic foot ulcer care. We are in the process of seeking a clinic practice nurse and dietitian to meet the needs of the expanding range of services we offer. The practice has full administrative and clerical support. One full time endocrinologist and one part time endocrinologist are currently onsite. Working relationships with other speciality groups onsite include vascular surgery, ENT, ophthalmology, bariatric surgeons, cardiology, and neurosurgery. An obstetric service is planned within the next 6 months. Bone densitometry is available on the onsite medical imaging service. There is an established oncall endocrinology roster. Working arrangements and times are flexible. Options for principal or associate positions negotiable.

Qualifications: FRACP or equivalent (such as Fellowship of the Faculties/Chapters of RACP)

### **ENDOCRINOLOGIST FOR PRIVATE PRACTICE IN SYDNEY**

**Department:** Private Specialist Rooms , **Location:** Campbelltown, **State:** NSW, **Country:** Australia

We are looking for an Endocrinologist to join our growing Specialist Practice in South Western Sydney. You will be working as part of a well-established Specialist Clinic, consisting of various Medical Specialties. The practice is well supported by administrative and clerical assistance, as well as close links with Allied Health on site. Working arrangement and times are flexible. The practice also offers options for work at local hospitals for appropriate specialties, and mentorship to help establish your private practice career.

**Qualifications:** FRACP or equivalent (such as Fellowship of the Faculties/Chapters of RACP)

**Contact Details:** Karen Gregory, PO Box 990 Narellan NSW 2567, PH: 0419986980, E: [kag19@bigpond.com](mailto:kag19@bigpond.com)

### **Endocrinologist Gold Coast**

**AARI Health Arena** is an Allied Health clinic on the Gold Coast. The clinic houses a Diabetes Educator with over 20 years of experience, a Dietitian, a Podiatrist, Physiotherapist, Exercise Physiologist and a Rehabilitation Gym. We are in the process of establishing a Pharmacist and Nurse Practitioner in-house. We are a healthful space, renowned for collection of skill, experience and 'real-world' approach to client wellness. We have a strong and loyal referral database, and a very solid ability to draw Endocrinology referrals in-house and through our well-established network. We require an endocrinologist to complement our growing team, preferably someone who enjoys team collaboration.

The practice offers full administrative and clerical support, and marketing/ networking will be coordinated internally. The fee structure is negotiable, however a 'room rental' or percentage arrangement can be offered. We are seeking an Endocrinologist to commence this position mid-November 2016 one day per week, with the likelihood of expanding in the new year.

Qualifications: FRACP or equivalent (such as Fellowship of the Faculties/Chapters of RACP)

## Women and leadership Australia

**Subject: Development scholarships for women's leaders**

**Scholarship initiative to support leadership development for women in the Health sector – Limited opportunities for 2017 intake available**

Opportunities are available for women in the Health sector to access up to \$8,000 in scholarship funding to assist them to participate in a number of the country's premier women's development programs. The initiative is part of a nationwide push to support and elevate women leaders throughout the Health sector.

Scholarships will be used to assist women leaders to participate in Women & Leadership Australia's flagship development programs. Please note scholarships are limited.

Scholarships are available at three management levels:

- Experienced senior and executive leaders are eligible to apply for an \$8,000 partial scholarship to assist their participation in the Advanced Leadership Program.  
[View the Advanced Leadership Program brochure here](#)
- Mid-level managers are eligible to apply for a \$4,000 partial scholarship to assist their participation in the Executive Ready program.  
[View the Executive Ready Program brochure here](#)
- Early career managers are eligible to apply for a \$3,000 partial scholarship to assist their participation in the Accelerated Leadership Performance Program.  
[View the Accelerated Leadership Performance Program brochure here](#)

Please note: WLA programs are highly exclusive developmental experiences and admission into these programs requires successful application. Annual intakes are limited.

### **To make a scholarship enquiry**

Attached to this email is an Expression of Interest form which can also be [downloaded here](#). Please note: Following submission of your expression of interest form a WLA scholarship advisor will make contact to provide further information.

Should you wish to discuss the initiative in more detail please contact Ian Johnson at Women and Leadership Australia's Head Office on 03 9270 9016 or via [ijohnson@wla.edu.au](mailto:ijohnson@wla.edu.au)

## ANNOUNCING ICE 2018 PROGRAM ORGANISING COMMITTEE

We are pleased to announce the 8 successful international representatives who will join the Program Organising Committee for ICE 2018 - the **18th International Congress of Endocrinology** held jointly with the 53rd Society for Endocrinology, Metabolism and Diabetes of South Africa's **SEMDSA Congress**. - Jacques Young, **France**

**ICE 2018** will take place 1-4 Dec, 2018 in Cape Town, South Africa.

Visit the [official congress website](#) for preliminary information on the landmark first ICE in Africa

## **PATIENT RESOURCES IN ENDOCRINOLOGY- a partnership between ESA and the US Endocrine Society**

<http://www.endocrinesociety.org.au/patient-resources/index.asp>

The Endocrine Society of Australia have established an international collaboration with the US Endocrine Society to adapt patient information to the Australian setting and make them readily available.

These resources are rigorously developed, evidence based and aimed to support patients to understand their endocrine condition with the support of their doctor.

### **Click for resources**

These are available in both English and Chinese.

\*This information is designed to be informative and educational. It is not intended to provide specific medical advice or replace advice from your doctor.

\*Please note that only the information on the Australian link below is adapted to national settings including medications and tests. Other resources on the US website may be helpful but may not be consistent with Australian practice.

### **Find an Endocrinologist**

The Endocrine Society of Australia receives regular enquiries to recommend an endocrinologist with particular interests or expertise. Endocrinology is a broad field, which includes some very common conditions, but also some very rare ones. As a result, people who have rare conditions may benefit from seeing a specialist with additional experience or expertise. The Society comprises clinical endocrinologists and also scientists, who research endocrine disorders but do not see patients. Clinical members of the Society have been invited to submit their contact details and self-nominated areas of interest. Please note that the Endocrine Society of Australia is providing this as a community service to help patients find a suitable endocrinologist (considering both geographical issues and area of interest). The Society is not endorsing or recommending any of the listed clinicians or their degree of expertise.

The general public will be able to search for an Endocrinologist in this section: <http://www.endocrinesociety.org.au/search-for-an-endocrinologist.asp>

If you would like to be listed in 'Find an Endocrinologist' Log in at the ESA homepage: <http://www.endocrinesociety.org.au/>
