RACP Fellows and Advanced Trainees are invited to join the College Learning Series (CLS) Editorial Group (Adult Medicine).

The College Learning Series is an expansion of the widely successful Physician Education Program (PEP), coordinated by Professor Judy Savige for the past 20 years. All content, recorded for the benefit of basic trainees, is reviewed by the Editorial Group before being added to the CLS platform. This ensures a high level of quality.

If you are interested in being a part of the review process, please apply [here](#).

Queries can be directed to the Program Manager, Mike Davidson at CLS@racp.edu.au

Applications close Monday 20 August.

RACP Specialty Society Webinar Series - Metabolic Bone Health (ANZBMS)

Dear Endocrinologists and Advanced Trainees,

We are pleased to announce that this year the ANZBMS was selected by the RACP to participate in a Specialty Society Webinar Series to promote and improve education in metabolic bone health.

The webinar series will consist of the 3 important topics presented by experts in the field:

1. Prof Peter Ebeling – Wednesday 18 July. Post-transplant osteoporosis/bone health (including solid organ and bone marrow transplant)

Please find the link below to the recording that has now been published on the College website. Only fellows of the college can access the webinar. <https://www.racp.edu.au/fellows/resources/specialty-society-webinar-series/specialty-society-webinars/australian-diabetes-society-australian-and-new-zealand-bone-and-mineral-society-and-endocrine-society-of-australia-webinars>

2. Prof Emma Duncan – Tuesday 18 September. Pre-menopausal osteoporosis (including POI and the female athlete)

3. Prof John Eisman – Wednesday 17 October. Stopping osteoporosis medications- when, why and how.

Please save the date. Further details will be provided closer to the time of presentation.

Kind regards, Sabashini Ramchand and Jasna Aleksova

FUNDING GRANTS FOR WOMEN'S LEADERSHIP DEVELOPMENT

Women & Leadership Australia (WLA) is administering a national initiative to support the development of female leaders across Australia's health care sector.

The initiative is providing women working in the sector with grants to enable participation in a range of leadership development programs.

The leadership development programs are part-time and delivered nationally via WLA's blended learning model. Scholarship funding is strictly limited and will be awarded based on a set of selection criteria being met.
