## Find an Endocrinologist

The Endocrine Society of Australia receives regular enquiries to recommend an endocrinologist with particular interests or expertise. Endocrinology is a broad field, which includes some very common conditions, but also some very rare ones. As a result, people who have rare conditions may benefit from seeing a specialist with additional experience or expertise. The Society comprises clinical endocrinologists and also scientists, who research endocrine disorders but do not see patients. Clinical members of the Society have been invited to submit their contact details and self-nominated areas of interest. Please note that the Endocrine Society of Australia is providing this as a community service to help patients find a suitable endocrinologist (considering both geographical issues and area of interest). The Society is not endorsing or recommending any of the listed clinicians or their degree of expertise.

The general public will be able to search for an Endocrinologist in this section:

<http://www.endocrinesociety.org.au/search-for-an-endocrinologist.asp>

If you would like to be listed in 'Find an Endocrinologist' Log in at the ESA homepage:

## **Visiting Endocrinologist needed**

Bacchus Marsh Eye Clinic is seeking a visiting Endocrinologist to complement our new team. The clinic has Ophthalmology, Diabetic Educator, Cardiology, and Sleep Physician on site. This is a great opportunity to provide co-ordinated care for our diabetic population in the area. The rooms available are fully fitted and ready to lease on a sessional basis or with a customized arrangement. There is a great community need for your services.

Please contact Doriana Fletcher Operations Manager on her mobile 0488 181 173 to further explore the opportunity.

### **PATIENT RESOURCES IN ENDOCRINOLOGY- a partnership between ESA and the US Endocrine Society**

<http://www.endocrinesociety.org.au/patient-resources/index.asp>

The Endocrine Society of Australia have established an international collaboration with the US Endocrine Society to adapt patient information to the Australian setting and make them readily available.

These resources are rigorously developed, evidence based and aimed to support patients to understand their endocrine condition with the support of their doctor.

#### **[Click for resources](#)**

These are available in both English and Chinese.

The Organising Committee welcomes all trainees, endocrinologists, and interested clinicians to the 2015 ESA Seminar, in beautiful Manly, NSW. The theme is Reproductive Endocrinology, and we plan an exciting program covering the spectrum of clinical issues in this important field. Our international guest will be Professor Bradley Anawalt from the University of Washington, USA, a renowned speaker on male reproductive endocrinology. We are also fortunate to have a great depth of Australian expertise who will share their experience in didactic lectures and interactive panel discussions. Full speaker lists and session details to follow shortly. We look forward to seeing you there.
