### **Andrology Symposium**

“Improving Men’s Health - Research Horizons in Andrology”  
Monash Medical Centre, Clayton, Victoria  
Saturday 28th November 2015, 8:30 – 5:00 pm

This is an initiative of the DFG-funded PhD training program joint between Monash University, Melbourne and Justus-Liebig University in Giessen, Germany, with the title "Molecular Pathogenesis of Male Reproductive Disorders".

This one day Symposium follows on from our annual scientific review and is intended to draw together our National and International colleagues who will collectively provide an update on clinical and basic research in Andrology. This will be a unique opportunity for a day of discussion of the Andrology field and how we might find way to move the field forward in the future.

Registration is free (<http://goo.gl/forms/4c06zEIyvW>) and there will be an opportunity for students to present their data in poster format within the program.

### **PBAC request for Nomination for Reference Group – Ezetimibe review**

The Pharmaceutical Benefits Advisory Committee (PBAC) intends to establish a Reference Group to conduct a post-market **review of Ezetimibe**, in terms of its cost-effectiveness in the context of the latest available evidence and best clinical practice.

All post-market reviews follow a standard process detailed in the Post-market Review Framework, available at: <http://www.pbs.gov.au/info/reviews/subsidised-medicines-reviews>. The Reference Groups will provide clinical, technical, consumer and industry advice to inform the reviews. Please see the attached Expression of Interest (EOI) form for further information.

The College has been invited to nominate a representative to participate in this review and, therefore, requests that you circulate this expression of interest to your membership. You may have already been approached by the PBAC on this matter, but we would like to seek expressions of interest from Fellows of your society, who are also members of the RACP. Concurrently, we will also seek expressions of interest from our Policy Reference Group members.

**DOWNLOAD** the EOI form for this nomination and the RACP Code of Conduct. Interested Fellows must complete and submit the EOI form and a CV to [racpconsult@racp.edu.au](mailto:racpconsult@racp.edu.au) by **5pm Thursday, 26 November**.

If you have any queries, please do not hesitate to contact [racpconsult@racp.edu.au](mailto:racpconsult@racp.edu.au).

## Women in Endocrine Cancer Special issue

*Endocrine-Related Cancer* is celebrating mid-career female researchers working in the field of endocrine cancer. The journal is seeking nominations of inspirational women doing exceptional and/or ground-breaking work in their field. We want to know how women are innovating and changing the landscape of hormones and cancer research and advocacy. The most outstanding nominees will be selected by an expert reviewer panel to appear in a special issue of the journal and will be invited to write a review which either focuses on an aspect of their recent work or a topic of interest to them. The selected candidates will also be asked to provide a short profile article detailing their background and career path.

### Issue Editors:

Charis Eng (Cleveland Clinic, *Genomic Medicine Institute*, US)

Deborah Marsh (*Kolling Institute of Medical Research*, University of Sydney, Australia)

### Panel Members:

V Craig Jordan (MD Anderson Cancer Center, US)

Marc Lippman (University of Miami Miller School of Medicine, US)

Shuk-Mei Ho (University of Cincinnati, College of Medicine, US)

Elaine A Ostrander (National Human Genome Research Institute, US)

To nominate a candidate, please submit a letter outlining your nominees' work and achievements (no more than 1000 words) by e-mail to [erc@bioscientifica.com](mailto:erc@bioscientifica.com). The nomination must also include a second letter of support from an established researcher in the candidate's field, as well as the candidate's CV. Queries regarding eligibility of candidate nominees can be made to the *Endocrine-Related Cancer* office at [erc@bioscientifica.com](mailto:erc@bioscientifica.com). All nominations should be submitted by **31 December 2015**.

## Australian Endocrinology Research Review

Australian Endocrinology Research Review is an independent medical update. Each edition features 10 key medical articles from global endocrinology journals with commentary from Professor Cres Eastman and Professor Duncan Topliss on why it matters to Australian practice.

It is free to receive for all Australian health professionals and is delivered by email as a PDF attachment.

Sign Up here to receive the publication on a regular basis.

## Position vacant – Specialist Endocrinologist – Regional Victorian Hospital

Applications are being sought for a motivated Specialist Endocrinologist to join a Regional Victorian Hospital. The successful candidate will be responsible for providing high quality services to the surrounding community, both inpatient and outpatient services in a rapidly expanding Unit.

Further information: <http://www.endocrinesociety.org.au/positions-vacant.asp>

## PATIENT RESOURCES IN ENDOCRINOLOGY- a partnership between ESA and the US Endocrine Society

<http://www.endocrinesociety.org.au/patient-resources/index.asp>

The Endocrine Society of Australia have established an international collaboration with the US Endocrine Society to adapt patient information to the Australian setting and make them readily available.

These resources are rigorously developed, evidence based and aimed to support patients to understand their endocrine condition with the support of their doctor.

### **Click for resources**

These are available in both English and Chinese.

\*This information is designed to be informative and educational. It is not intended to provide specific medical advice or replace advice from your doctor.

\*Please note that only the information on the Australian link below is adapted to national settings including medications and tests. Other resources on the US website may be helpful but may not be consistent with Australian practice.

The Organising Committee would like to welcome all trainees, endocrinologists, and interested clinicians to the 2016 ESA Seminar, on the Sunshine Coast, Queensland. The Committee is assembling an exciting program, drawing on the depth of Australian and International research speakers.

We look forward to seeing you at Twin Waters.

**Don McLeod**

Chair, Organising Committee

Website: <http://www.esaclinicalweekend.org.au/>

Please accept this invitation to attend the 2016 ESA Clinical Weekend to be held at the Crowne Plaza Hotel, Surfers Paradise 19th - 21st August 2016. The Clinical Weekend is always an informative and instructive meeting held in a relaxed environment. 2016 promises to be all that we expect from the meeting.

This year's venue will provide you with plenty of opportunity to enjoy all that the Gold Coast has to offer. Our new tram stops right out the front of the hotel and provides easy access to Broadbeach and the Convention Centre precinct as well as north to Surfers Paradise and Southport. Don't miss this great meeting.

**Peter Davoren**

Chair, Organising Committee

Website: <http://www.esa-srb.org.au/>

The Annual Scientific Meeting of the Endocrine Society of Australia and the Society for Reproductive Biology will be expanded in 2016 and held with the Australian and New Zealand Bone and Mineral Society at the popular venue - the Gold Coast Convention Centre from 21-24 August.

The programme organising committee will consist of members from all three societies and will endeavour to present you with the latest and most exciting data from these respective fields with a range of international and national leading speakers.

The benefits of this large scale collaborative meeting include: broader content areas, efficiency in meeting attendance and costs for delegates and trade partners, a more diverse variety of sessions, increase attendees.

Trade partners will have exposure to more areas of specialties in Endocrinology, including these three societies and the **Australian Diabetes Society (ADS)** and the **Australian Diabetes Educators Association (ADEA)** meeting on the Wednesday of that week.

The three societies share areas of common interest and offer expertise and diversity across the field of endocrinology.

We hope to see you on the Gold Coast!

**Fran Milat (ESA POC Co-chair)**

**Renea Taylor (ESA POC Co-chair)**

**Brett Nixon (SRB POC Co-chair)**

**Kirsty Walters (SRB POC Co-chair)**

**Mark Cooper (ANZBMS Co-Chair)**

**Mike Rogers (ANZBMS Co-Chair)**
