Find an Endocrinologist

The Endocrine Society of Australia receives regular enquiries to recommend an endocrinologist with particular interests or expertise. Endocrinology is a broad field, which includes some very common conditions, but also some very rare ones. As a result, people who have rare conditions may benefit from seeing a specialist with additional experience or expertise. The Society comprises clinical endocrinologists and also scientists, who research endocrine disorders but do not see patients. Clinical members of the Society have been invited to submit their contact details and self-nominated areas of interest. Please note that the Endocrine Society of Australia is providing this as a community service to help patients find a suitable endocrinologist (considering both geographical issues and area of interest). The Society is not endorsing or recommending any of the listed clinicians or their degree of expertise.

The general public will be able to search for an Endocrinologist in this section:

Nominations for ESA Council 2014-2018

Nominations are now called for election to membership of the Council of the Endocrine Society of Australia.

At the 2012 election the following were elected for four years until 2016:

Warrick Inder, Tim Cole, Ashim Sinha and Morton Burt.

Council members reaching the end of their terms in 2014 are Peter Ebeling (who will stay on for the next year in the role of past-president), Bu Yeap, Nicolette Hodyl, Belinda Henry and Chen Chen. These members can stand for re-election if they wish.

Helena Teede will take on the role of President for two years, then past-president for one year.

Therefore, in the 2014 election, those elected will stay on ESA Council for 4 years until 2018. At least 4 states must be represented on the Committee. A nomination form is included below for any ESA member wishing to nominate for election to ESA Council for 2014-2018. Nominees must be a financial member of the Society, and be nominated by two financial members of ESA. The primary requirement of a committee member is an interest in assisting with the work of ESA in promoting endocrine research and practice in Australia. Nominations for election to the Society must reach the secretary of the ESA, A/Prof Tim Cole, 145 Macquarie Street, Sydney, NSW 2000 by 5:00 pm, **Friday 23rd May 2014**.

Further details regarding the Committee of ESA, and procedures for elections to the committee can be found at the ESA website: <http://www.endocrinesociety.org.au/constitution.htm>

AMS Congress 2014

The Heart of the Matter

**18th Congress of the
Australasian Menopause Society**

Friday 26 to Sunday 28 September, 2014

Rendezvous Hotel, Auckland NZ

Heart disease is the leading cause of death in women, with gender differences observed in cardiovascular disease presentation, investigation and outcomes.

At the 2014 18th AMS Congress in Auckland, we will get to "The Heart of the Matter" with international expert Professor Howard Hodis (USA), discussing both basic science and clinical aspects of atherosclerosis pathophysiology and cardiovascular disease prevention in women.

Auckland's bounty and beauty cast a powerful spell. Tamaki Makau Rau, the 'maiden with a hundred lovers' is the Maori name for Auckland with its sparkling waters. Within half an hour from shopping in a busy downtown street, you could be pulling into the wharf on Waiheke Island, watching orca chase stingrays in Manukau Harbour, tramping through native forest or sipping wine at a vineyard in the countryside.

The Congress will coincide with the start of the school holidays so we can discover more of "100% pure" New Zealand. Join us for the 2014 AMS Congress "The Heart of the Matter" comprising an exciting scientific program with international and national expert speakers in a wonderful location in the heart of beautiful New Zealand.
